FAST FACTS

Haus of Dance is a youth dance company for ages 7 to 18 and is for girls and boys. The company performs throughout the year at competitions and locally in the community. We'll ignite a passion and love for dance and teach discipline and responsibility through hard work. The results = amazing successful young people!

We Love Haus of Dance, with its focus on not only dance, but also self-confidence, skill, fitness, friendships, and memories! Thank you, to Artistic Director Tony Fraizer, for your love, dedication and passion for dance!

- Tonya B - Parent

What I love about Haus of Dance is coming to dance with my friends and being able to grow together as a team through dance, but also as people

- Tracy (5 yrs.)

The thing I love about Haus of Dance is we get pushed to be our best. I also love how supportive my team is and how we have fun together. I love our director Ms. Tony, she is funny, happy, nice, and tough.

- Alyssa (8 yrs.)

TIME COMMITMENT: Haus of Dance Company membership requires a commitment from both dancer and parent. We are proud of this program that offers high-caliber training and allows all dancers to grow as individuals and artists, and become leaders and positive role models throughout their community.

FINANCIAL COMMITMENT: We like to say that being in Haus of Dance Company is similar to participation in a sport. In addition to monthly class fees that reflect a heavy class schedule, there are competition fees, extra costumes and travel expenses. Please see jacksonarts.org for detailed information about fees on the dance company pages.
