Pennies for Patients

Our annual Pennies for Patients fundraiser is wrapping up soon. This fundraiser is organized by our Bean Student Council and money raised benefits leukemia and lymphoma research. Students each received a bank to collect their donations and will be able to raise money until Wednesday, May 24. The class that collects the most money will win a pasta dinner catered by Olive Garden! So far, Mrs. Clawson's class is in the lead with \$170.33 but Mrs. Rice's class is hot on their heels! Our school goal is \$1,500 and we're more than half-way there! Great job!

?? DID YOU KNOW ??

Did you know that Bean students did an amazing job collecting donations for the American Heart Association? Our goal was to collect \$6,000 but we raised over \$9,000!!! As a result, the whole school has earned an extra recess that will take place this afternoon! Our top earning class was Mrs. Leising's class, so they were able to throw water balloons at Mr. Y at our assembly on Wednesday, May 17!

As We Get Closer to the End . . .

 Our student-run CP Federal Credit Union. If you don't have an account yet, don't worry, stop by any CP Federal branch to make deposits or set up an account!

 The last day to check out book from the Bean Library will be Friday, May 26, 2017. **ALL** book are due back to the library by Friday, June 2, 2017. Lost or damaged books need to be paid for by the last day of school, June 8.

 Students with medication in the office will need to have it picked up by an adult before the office closes for the summer on Thursday, June 15, 2017. Medication that is not picked up will be discarded.

Yearbooks and Spring Pictures!

 If you missed the **yearbook** order through Lifetouch and would still like to purchase one for the 2016-2017 school year, extra copies are available in the office. The books cost \$10 each and you may pay with cash or check made payable to Western School District. **Spring pictures** arrived and were sent home with students. Parents may opt to return the photos or send in a payment for each sheet purchased. Lifetouch keeps track of which photos are returned or purchased, and will be sending reminders soon for unpaid/unreturned photos.

Keep PowerSchool Up-to-Date!

Before we reach summer break and the office closes, be sure you know how to access your PowerSchool Parent Portal and keep your contact information up-to-date! You may make changes as often as necessary. Thanks!
